Section 5 – Proof of Implant and Premature Explant/Replacement of Lead or Unintended Shocks

In order to be eligible for compensation under the Settlement, each Claimant must provide evidence of the Class Member's implantation **AND** premature explantation/replacement of or unintended shocks caused by a fracture or impending fracture of one or more Lead.

To establish that the Class Member was **implanted** with one of the Leads, **one** of the following **must** be submitted:

- if the Class Member previously received a Certification Notice Letter, fill the appropriate section in the Claimant Declaration (Section 7, below); **OR**
- a photocopy of the Class Member's Medtronic Implanted Pacer-Cardioverter-Lead ID Card which reflects the Lead Model number and Implant Date; **OR**
- one of the following medical records which reflects the Class Member's Lead Model number and Implant Date, including, but not limited to:
 - a Medtronic Quick Look Report; **OR**
 - an operative report describing the Class Member's implantation with one of the Leads, including the Lead Model number and Implant Date; **OR**
 - any other medical record reflecting the Class Member's implantation with one of the Leads, which record must include the Lead Model number and Implant Date.

AND

To establish that the Class Member's Lead was **explanted/replaced or caused unintended shocks as a result of a fracture and/or impending fracture of the Lead**, one of the following **must** be submitted:

- contemporaneous medical records from the hospital where the Lead was explanted/replaced which expressly indicate that the reason for the Lead explant/replacement or unintended shocks was/were due to a fracture/impending fracture of the Lead; **OR**
- if the explant/replacement records do not include any medical opinion attributing the explant/replacement or unintended shocks to a fracture/impending fracture of the Lead, a completed and signed Physician Declaration contained in Section 8 below.

Section 6 – Extraordinary Injury Fund Claim

Please complete this section **ONLY** if you are seeking compensation from the Extraordinary Injury Fund. In order to be eligible for compensation from the Extraordinary Injury Fund, a Claimant must satisfy the criteria set out in Section 5 above **and** must also establish that the Class Member suffered from either Minor or Major Complications as set out below **within 45 days** of the premature explant/replacement of their Lead **OR** unintended shocks as a result of the fracture in the Lead. In the case of unintended shocks where the Lead was **NOT** explanted/replaced, an award from the Extraordinary Injury Fund will be made at the discretion of the Claims Administrator, based on severity.

Please indicate the basis for the Extraordinary Injury Fund Claim (fill all that apply):

Minor Complications:

- Hematomas lasting more than 7 days with tenseness, drainage, or minor dehiscence managed as an outpatient.
- Hematomas without tenseness but requiring additional outpatient evaluation.
- Implant related pain lasting more than 7 days requiring prolonged use of narcotic pain medications.
- Cellulitis treated as an outpatient with oral antibiotics.
